HANDLING AND STORAGE

Manipulation

- Carefully follow the instructions on the package or on the enclosed leaflet/band/tag.
- Avoid any type of use not provided for in the instructions.
- Avoid mixing with other or similar products or with different substances not provided for in the specific instructions.
- Keep the product away from children.
- Keep away from heat, hot surfaces, sparks, open flames, and other sources of ignition. Do not expose to temperatures above 50°C.
- Do not puncture or burn, even after use.
- Do not eat, drink, or smoke while using the product.
- Avoid contact with contaminated tools and objects.
- Do not handle broken packages without protective equipment.
- Do not spray on an open flame or other ignition source.
- Wash hands thoroughly after handling.

Storage

Keep away from heat, hot surfaces, sparks, open flames, and other sources of ignition. Do not smoke. Store at temperatures between 4 °C and 40 °C. Do not expose to temperatures above 50 °C. Store in a well-ventilated place.

PERSONAL PROTECTION/EXPOSURE CONTROL

The work environment must be adequately ventilated, possibly with mechanical air exchange (Annex IV to Legislative Decree 81/08).

If the Employer detects risks that cannot be avoided by other means, he is obliged to make adequate Personal Protective Equipment (PPE) available to workers (Legislative Decree 81/08). PPE must comply with the standards set out in Legislative Decree 17/2019 (Legislative Decree 81/08). The use of PPE provided by the Employer is mandatory (Legislative Decree 81/08).

CHEMICAL AND PHYSICAL PROPERTIES

Aspect	Mousse
Smell	Characteristic
Color	Violet
ph	6 - 7
