HANDLING AND STORAGE

Manipulation

- Carefully follow the instructions on the package or on the enclosed leaflet/band/tag.
- Avoid any type of use not provided for in the instructions.
- Avoid mixing with other or similar products or with different substances not provided for in the specific instructions.
- Never put the spilled product back into the original containers for new use.
- Keep products away from children.

Storage

Store in a dry and well-ventilated place (room temperature). Do not store or use the product near an open flame or heat source or electrical appliances or in direct sunlight. Do not store the product at a temperature below 5°C. Close the container tightly after use.

PERSONAL PROTECTION/EXPOSURE CONTROL

The working environment must be adequately ventilated, possibly with mechanical air parts (Annex IV DL 81/08).

When the employer identifies risks that cannot be avoided with other devices, he must provide employees with Personal Protective Equipment (IDP) (Art. 43 Legislative Decree 626/94). IDP must comply with the rules provided for by Legislative Decree 475/92 (art. 42 Legislative Decree 626/94). The use of the IDP provided by the employer is mandatory (Articles 5 and 44 of Legislative Decree 626/94).

Before preparing and applying the color, always wear suitable disposable plastic gloves.
