### Manipulation

- o Carefully follow the instructions on the packaging or package insert.
- o Avoid any use not provided for in the instructions.
- o Avoid mixing with other or similar products or with different substances not provided for in the specific instructions.
- o Never put the spilled product back into the original containers for further use.
- o Keep products out of the reach of children.

### Storage

Store in a dry, well-ventilated place (room temperature). Do not store or use the product near an open flame or heat source or electrical appliance, or in direct sunlight. Do not store the product below 5 °C. Close the container tightly after use.

## PERSONAL PROTECTION/EXPOSURE CONTROL

The work environment must be adequately ventilated, possibly with mechanical air exchange (Annex IV to Legislative Decree 81/08).

If the Employer detects risks that cannot be avoided by other means, he is obliged to make adequate Personal Protective Equipment (PPE) available to workers (Legislative Decree 81/08). PPE must comply with the standards set out in Legislative Decree 17/2019 (Legislative Decree 81/08). The use of PPE provided by the Employer is mandatory (Legislative Decree 81/08).

## CHEMICAL AND PHYSICAL PROPERTIES

Aspect	Transparent liquid
Smell	Characteristic
Color	Yellowish
Viscosity	300 – 500 cPs

## STABILITY AND RESPONSIVENESS

Normally stable at room temperature.

Dermatologically tested.

The cosmetic product has undergone a toxicological evaluation and has been considered safe as required by Cosmetic Regulation (EC) 1223/2009 based on normal and reasonably foreseeable use.

### **ECOLOGICAL INFORMATION**

To be used following the normal procedures of a good job avoiding dispersion in the environment.

### **DISPOSAL CONSIDERATIONS**

Empty containers, still soiled with product, due to the quantity and quality of their contents, are not to be classified as toxic or harmful waste. They must be disposed of according to current regulations, using specialized companies (Resolution 27/7/84, Law 475/88).

Unused products (obsolete, damaged, etc.) must be disposed of according to current regulations by relying on specialized companies (Resolution 27/7/84, Law 475/88).

Comply with national and regional waste legislation.

### **TRANSPORT**

The product is not classified as a dangerous good.

### **INFORMATION ON THE REGULATION**

The finished cosmetic products are manufactured and marketed in accordance with Regulation (EC) 1223/2009 as amended.

Finished cosmetic products are expressly excluded from the provisions of Title IV of Regulation (EC) No 1907/2006.

### **OTHER INFORMATION**

Apply to an intact and non-irritated scalp.
