HANDLING AND STORAGE

Manipulation

- or Carefully follow the instructions on the packaging or on the enclosed package insert/band/tag.
- or Avoid any type of use not provided for in the instructions.
- or Avoid mixing with other or similar products or with different substances not provided for in the specific instructions.
- or Keep out of reach of children.
- or Keep away from heat sources, hot surfaces, sparks, open flames, and other sources of ignition. Do not expose to temperatures above 50 °C.
- or Do not puncture or burn, even after use.
- or Do not eat, drink, or smoke while using the product.
- or Avoid contact with contaminated tools and objects.
- or Do not handle broken packages without protective equipment.
- or Do not spray on an open flame or other ignition source.
- or Wash your hands thoroughly after handling.

Storage

Keep away from heat sources, hot surfaces, sparks, open flames, and other sources of ignition. Do not smoke. Store at temperatures between 4 °C and 40 °C. Do not expose to temperatures above 50 °C. Store in a well-ventilated place.

EXPOSURE CONTROL/PERSONAL PROTECTION

Avoid spraying on irritated skin.

Avoid spraying on the eyes.

Do not use anything other than what is intended.

Keep out of reach of children.

Vaporize for short periods of time, avoiding prolonged vaporization.

The work environment must be adequately ventilated, possibly with mechanical air exchange (Annex IV to Legislative Decree 81/08).

In the event that the Employer identifies risks that cannot be avoided by other means, it is required to equip workers with adequate Personal Protective Equipment (PPE) (Legislative Decree 81/08). PPE must comply with the standards provided for by Legislative Decree 17/2019 (Legislative Decree 81/08). The use of PPE provided by the Employer is mandatory (Legislative Decree 81/08).
